## RATE DEFINITIONS

|                 |                                                                        |
|-----------------|------------------------------------------------------------------------|
| One hire day    |                                                                        |
| Minimum hire    | One working day.                                                       |
| Operating hours | Allowance is 8 operating hours per day or 40 operating hours per week. |
| Extra hours     | Hours over 40 in a week are charged pro rata per hour.                 |
|                 |                                                                        |
| Availability    | Rates are subject to equipment availability and final quote.           |

## DELIVERY AND COLLECTION

|                                 |                                                                                              |
|---------------------------------|----------------------------------------------------------------------------------------------|
| Yard collection                 | FREE — pre-book your collection slot.                                                        |
| Next day                        | Price on quote order by 3pm, on site by 9am.                                                 |
| Same day                        | Price on quote - subject to availability, four-hour delivery window.                         |
| Urgent                          | Price on quote - subject to availability and operating conditions, one-hour delivery window. |
| Difficult access / waiting time | May incur extra charges - confirmed before dispatch.                                         |

## POSSIBLE ADDITIONAL CHARGES

Where applicable: fuel, cleaning, damage waiver or insurance, excess wear, late return, tolls and attachment consumables.

## ACCOUNT PRICING

Quote-based account pricing may apply to planned hires of at least three weeks. Eligibility and the measurement period are set in the upfront hire plan or quote. Discounts do not apply to transport or ancillary charges. An extension without an upfront plan or quote is reviewed case by case once the three-week minimum has been reached.

## GET IT LOCKED IN
